

MITIGATION AWARENESS!

Overview of this 1 Hour CEC Event:

This CEC approved course is designed around educating and demonstrating the steps taken once a claim is assigned to a professional Disaster Restoration company. This presentation is held at RCCN's head office in Calgary. This 1 Hour educational session will include presentations, discussions and first hand displays from the restoration and remediation contractors perspective.

You will be given a tour of our facility where you will see the latest in cleaning, remediation and restoration equipment and processes. There will be discussions on mold remediation, asbestos abatement, PPE (Personal Protective Equipment). We will show you how our emergency response units help reduce secondary damage and reduce the amount of time files are open.

This 1 hour presentation will include showing you our equipment for:

- Emergency Water and Fire response equipment
- Asbestos or Mold Remediation work
- What is involved in having a properly set-up 1 stop restoration & remediation company
- A few Safety protocols for our staff, homeowners and others attending our sites
- A tour of our offices to meet the RCCN Team who serve you and your clients

“A mitigation plan should have a selected Disaster Restoration company with the tools and staff along with the training and ability to minimize damages after a loss.”

Understanding the need for properly trained restoration and construction staff, with expertise and the proper tools to do their work, is essential in quickly and efficiently serving insurers and insureds alike. Come meet the staff who serve you and your customers.

This course will appeal to:

Insurance Brokers & CSR's, Insurance Adjusters, Property Inspectors, Property Managers, Facility Managers, Institutional organizations such as hospitals, health and senior care and educational facilities and others involved in dealing disaster restoration claims and losses.

This CE Course is presented by a Restoration Contractor with extensive real life experience dealing with these types of situations.
